Dear Mrs. Eisenhower:

I hope you are having a very pleasant vacation in Colorado, and I know it must be wonderful for you to be visiting with your lovely mother again.

I thought you might like to arrive back in Washington with some new hats so I am sending some out to you tomorrow.

These are just to get you started on the new season, then I wish that Mrs. McCaffree would let me know just what else you need as to color, etc.

I hope that you are getting a really good rest, and will get back to your busy Washington life fully rested and relaxed.

With all good wishes,

Cordially,

Sally Victor

Dear Mrs. Victor,

Thank you so much for sending me the nice assortment of hats — they are such lovely colors, that I know I shall enjoy wearing them immensely. This is just the time of year when I like to see the new Fall designs, and I am glad to have these to take back to Washington with me.

I was also very happy ~~you~~ sent the gloves, as it is always so difficult for me to find the proper ones to harmonize with my hats. These are perfect and just the kind I like.

I am having a nice rest, and I hope to store up a reserve of energy for the busy Fall season ahead of me in Washington.

With many thanks, and all good wishes to you,

Mrs. Serge Victor
